- a. Introduction – 10 minutes (Chris)
 - Big task, goal today is get started
 - Think about your own goals and strategies based on the 7 trees or other themes
 - Categories: **goals** (what benefits/outcomes from Outdoor Recreation) and **strategies**
- b. Three breakout groups with notetakers: Assignment below – 25 minutes
 - *First*: on your own – write down 2 big goals, 2 big strategies
 - *Then*: with group
 - Share and agree on 5 big goals (don't fight wordsmithing details)
 - Share and agree on 5 big strategies to reach goals
- c. Groups Report back – 25 minutes
 - Quick report back; ideally have information written down for screen sharing
 - *DISCUSSION*

4. Next Steps – 15 minutes

- a. What's next – schedule highlights

2021

- Regional/Subregional working groups
 - o Working teams solidified and will build on the work you did today
 - o AK Trails Conference – April 15th (referencing results of today's meeting), I will be sending an invite to the working groups sessions for those interested
- Plan is to have the Regional facilitators report out at our next meeting which is **April 26th or 27th** depending on how the doodle poll went
- Survey of rec providers, is coming soon, working with other states
- Several updates due to you on drafts, public input, surveys etc.

2022

- Flesh out project details, build data base
- Further public review
