Hatcher Pass
East Management Area
Winter Recreation Map

Projected Coordinate System:
NAD 83, State Plane Alaska, Zone 4
Contour Interval: 100 Feet
1:83,350

Avalanche danger exists in much of the Hatcher Pass area. Know safe
tavel techniques, bring the necessary safety gear, and be proficient in its
use. If you're unsure about how to be safe in the backcountry take an
avalanche course.

Current snowmobile registration is required by law and supports the statewide SnowTRAC
Snowmobile Trail Grant Program.

Motorized areas are open to snowmobiles only when snow
conditions are sufficient to protect underlying vegetation.

See www.alaskastateparks.org for current snow condition
reports and motorized openings information.
