

Notice Regarding Seward Recording Office

The Seward Recorder's Office located at 302 Railway Avenue, Suite 131 in Seward has been under a temporary closure since September 4, 2012 when the District Recorder resigned. Electronic recording (e-Recording) was implemented for the Seward Recording District in October 2012 and is being used on a regular basis.

With the successful implementation of e-Recording and the high costs involved with maintaining this facility, a decision has been made to close the office permanently.

The recording office in Anchorage has taken over recording responsibility for the Seward District. Documents may be mailed or delivered to:
