Slaughterhouse Listening Session

I. Introductions: Division Director Bryan Scoresby

The purpose of the meeting is to receive statewide stakeholder input (via a listening session) on the Southcentral Slaughterhouse closure. The Division is seeking input on the impacts of this closure on the livestock industry, and seeking direction and remedy, which will be shared with our Administration.

II. Meeting process and procedures

As time allows, each representative will have an opportunity to provide input on the impacts of this closure, propose direction and solution. Please provide name and organization, group, etc. represented.

Please note: We would like to be respectful of time, therefore, we will have a limit of 3 minutes for each representative to provide input.

III. Topics for Discussion

1. Impacts to livestock producers that were to use this facility this fall.
2. Impacts to the end-user of that meat (retail, restaurant, etc.).
3. Options: On-Farm/ Custom exempt, Mobile slaughter, Other Facilities
4. Future slaughter facility considerations
5. Future Direction and Solutions

IV. Adjournment

Thank you for your time and input. The Division understands that there are concerns and hope to able to identify those concerns from this session.
