Memorandum

To: Secretary of the Interior

Through: Senior Advisor to the Secretary for Alaska Affairs

From: Regional Director, Alaska Region

Subject: Transmittal of Alaska Supplement to the Minimum Requirements  
Decision Guide

We are pleased to provide the attached Guide. This Supplement is a collaborative effort between federal land management agencies and the State of Alaska to provide additional guidance in applying the Minimum Requirements Decision Guide issued by the Arthur Carhart National Wilderness Training Center.

We are proud of the effort of the Working Group and the opportunity it provided to be more effective in our on-the-ground decision making regarding activities in wilderness areas within Alaska.

By copy of this memorandum, we are also notifying the Governor's Office and others noted on the concurrence page of the document.
