## **Land Sales Public Meeting in Delta Junction on March 20**

**(Delta Junction, AK)** – The Alaska Division of Mining, Land & Water will hold a public scoping meeting on local land sales later this month. Planned for the Delta Junction Community Center on Wednesday, March 20 from 5 p.m. to 8 p.m., division representatives will be available to hear public input regarding proposed land sale projects. This will be an informal meeting where Alaskans are encouraged to share their thoughts and questions with DNR staff.

The State of Alaska is proposing the subdivision and competitive sale of two project areas: approximately 130 acres along the Alaska Highway in the vicinity of Emmaus Road, and approximately 110 acres near the Clearwater Lake boat launch on Triple H Road. These lands would be offered under a State Land Auction. Maps and other specific details of these project areas will be available at the scoping meeting.
