LIMITED NON-TIMBER FOREST PRODUCTS COMMERCIAL HARVEST
End-of-Season Report

Name _____ Permit # _____

As part of the State's effort to make informed management decisions regarding commercial harvesting of non-timber forest products on general State land, it is required that all holders of the **Limited Non-Timber Forest Products Commercial Harvest Permit** complete and return this report within 31 days of the expiration or termination of the permit. Please answer the following questions and return this form with any supplemental material (photographs, maps, etc.) to the appropriate regional office. Failure to complete this report in full and return it to the Division of Mining, Land and Water before the report deadline may result in the denial of further authorizations.
Questions? Please contact the Public Information Center.

Did you encounter or experience problems, concerns, or issues that should be reported to the Authorizing Officer? (i.e. unauthorized harvest, environmental damage, resource damage, etc.) Yes No If yes, please describe:

Please list any suggestions for improvement of the Alaska NTSF Harvest Manual:

Instructions for page 2:

1. Each non-timber forest product commercially harvested on general State land must be reported separately.
2. Give the most specific description available of harvesting locations, preferably the geographic description (township, range and section). If this is not known, provide road names and mileage markers, waterway names, and other locatable descriptions. Provide a marked USGS map if needed for clarity of location.
3. For each harvest location, specify how much of the given product was harvested.
4. Specify the dates on which the reported amount of product was taken from the specific location.
5. Amounts and products taken in excess of the original authorization will be billed to the permit holder. No refunds are given for harvest amounts below the original authorization.
