Notice of Public Scoping for Possible
Updates and Revisions to DNR Regulations

11 AAC 67, Disposal of Lands

The Alaska Department of Natural Resources is considering revising its regulations regarding the department's disposal of state lands through its Alaska Land Disposal Program, 11 AAC Chapter 67.

The purpose of this notice is to ask the public for their ideas and suggestions for possible changes and improvements to these regulations BEFORE the department undertakes drafting proposed revisions to these regulations.

While the department is considering revising these regulations, DNR does not have, and is not currently proposing any changes yet. Therefore, there are no draft regulations to review. The department wants hear from the public on how they would change or improve these regulations before it begins drafting any proposed changes.

DNR is asking for your suggestions regarding how to improve these regulations. DNR is interested in any suggestions regarding this chapter; however, the department is specifically seeking input on the following sections:

11 AAC 67.005
General Qualifications

11 AAC 67.010
Proof Eligibility Based on Residency

11 AAC 67.050
