

Staking Map: WEARY RIVER

Remote Recreational Cabin Site Area No. 11095

This staking map is for graphic representation only and is not intended to be all-inclusive. It is intended to be used as a guide only, and may not show the exact location of existing surveyed parcels or show all easements and reservations. Source documents remain the official record and should be reviewed prior to staking. Monuments found in the field take precedence over the graphic record. All Alaska State Land Surveys (ASLS) have survey monuments at each Parcel corner, which can be used as reference points when staking. See the survey plats for information on corner numbers, bearings and distances.

Notes:

Maximum parcel size 20 acres.
 Minimum parcel size 5 acres.
 Staking authorization: 15.
 Staking Period: 9-13-02 to 1-13-03.
 All parcels staked on lands owned by the State of Alaska that contain land within 50 feet of a surveyed or protracted (unsurveyed) section line, or that are bisected by such section line(s), are subject to a 50-foot wide easement on each side of the section line, which is reserved to the State of Alaska for public highways under AS 19.10.010.
 All parcels are subject to a 50-foot public access easement and 100-foot building setback from the ordinary high water line of all water bodies. Some water bodies may have staking setbacks or water frontage limitations.
 A 200-foot staking setback is required from all unnamed streams and lakes.
 Trail easements have not been verified and their actual location may differ on the ground. Not all existing trails may be shown. Labeling of these trails does not guarantee the existence of a trail or its use. It is intended as a research tool.
 Staking is not allowed across any navigable water body.
 Staking is not allowed around abandoned or unauthorized improvements, including structures or airstrips; a staking setback is required.
 This area is subject to State of Alaska platting authority.
Note: Land between Lake Nunavauagaluk (Snake Lake) and the staking area is private land. Please use the access site and easement where shown on this map. Please respect private property.
