- NOTES**
- This subdivision is subject to Denali Borough Code 9.10.
 - Access to the Clear Sky Remote Recreational Cabin Sites Staking Area is by existing section line easements from the Parks Highway. Access to the Tracts within the staking area is by existing section line and public access easements, and across unreserved state lands as permitted by 11 AAC 96.020.
 - This survey was accomplished in accordance with AS 38.05.600 GSC 722 and RRCS-SI 2006-19.
 - All bearings shown are orientated to the True Meridian at the Basis of Coordinates and all Distances are Horizontal Field.
 - The accuracy of this survey is greater than 1:5000.
 - All parcels of land owned by the State of Alaska, located within 50 feet of or bisected by a surveyed or protracted section line, are subject to a 50' easement, each side of the section line, which is reserved to the State of Alaska for public highways under A.S. 19.10.010.
 - The existing lessee's claim corners were recovered and used to control the location of the tracts boundaries.
 - Monuments set this survey are a 3 1/4" AK. D.N.R. magnetized aluminum cap attached to a 2 1/2"x28" flanged aluminum pipe with a deep one magnet at the base. Set with the cap extending 2" to 6" above ground, with a 6" Carsonite witness post set 2 1/2" in the ground alongside. Bearings trees are blazed and scribed BT at the base and X at eye level with a metal tag attached giving direction-distance and corner nomenclature.
 - The natural meanders of the line of ordinary high water (OHW) form the true bounds of these parcels. The approximate line of OHW, as shown, is for area computations only, with the true corners being on the extension of the sidelines and their intersection with the natural meanders.
 - These parcels are subject to; a 50' public access easement along the ordinary high water line of navigable or public water bodies per AS 38.05.127(a)(2) and 11 AAC 51.045 (d) and (e), a 100' building setback from the ordinary high water line of all water bodies, a 30' public access and utility easement along all interior parcel boundary lines, and a 60' trail easement centered on any existing trails identified hereon, unless otherwise noted.
