Changes in the natural state of water are to be made in the manner and only for the purposes stated in this permit. This permit is subject to the pertinent statutory provisions in AS 46.15, Administrative Regulations in 11 AAC 93, and the following conditions, with which the holder of this Permit shall comply:

PERMIT TO APPROPRIATE WATER
LAS 33002

1. This permit does not authorize the permittee to enter upon any lands until proper rights-of-way, easements, or permission documents from the appropriate landowner have been obtained.
2. Follow acceptable engineering standards in exercising the right granted by this permit.
3. Permit holder is responsible for obtaining, maintaining, and complying with all other approvals and authorizations (federal, state or local) that may be required, including but not limited to complying with the regulations and requirements of the Alaska Dam Safety Program.
4. Comply with all applicable laws, regulations, and conditions.
5. If the grantor determines that this appropriation unduly affects a prior appropriator's ability to obtain water in accordance with his or her permit or certificate, this appropriation may be amended or water use may be curtailed until the prior appropriator can again obtain water under his or her prior right. Those individuals within the same area that do not have water rights may also be required to curtail taking water.
6. Except for claims or losses arising from negligence of the State, defend and indemnify the State, the State's agents, and the State's employees against and hold each of them harmless from any and all claims, demands, legal actions, loss, liability, and expense, including attorney fees, for injury to or death of persons and damages to or loss of property arising out of or connected with the exercise of the right granted by this permit.
7. Notify the grantor of any change of address, transfer of any real property identified in this permit, or proposed change in the water appropriation.
8. Allow grantor's authorized representatives to inspect, at reasonable times, any facilities, equipment, practices, or operations regulated or required under this permit.
9. Submit monthly water use records on an annual basis to the Water Resources Section. All water use records shall be reported on the Alaska Water Use Data System (AKWUDS) online at <http://dnr.alaska.gov/akwuds/> and/or via email to dnr.water.reports@alaska.gov.
10. Per 11 AAC 05.260(e), an annual administrative service fee shall be assessed on this permit.

This permit shall EXPIRE on: **January 13, 2030.**

This Permit to Appropriate Water is issued by authority of AS 46.15.080 and 11 AAC 93.120 on:
