PERMIT TO APPROPRIATE WATER
LAS 28158

The holder of this Permit to Appropriate Water shall comply with the following conditions:

1. Follow acceptable engineering standards in exercising the right granted by this permit.
2. Comply with all applicable laws, regulations, and conditions.
3. Except for claims or losses arising from negligence of the State, defend and indemnify the State, the State's agents, and the State's employees against and hold each of them harmless from any and all claims, demands, legal actions, loss, liability, and expense, including attorney fees, for injury to or death of persons and damages to or loss of property arising out of or connected with the exercise of the right granted by this permit.
4. If the grantor determines that this appropriation unduly affects a prior appropriator's ability to obtain water in accordance with his or her permit or certificate, this appropriation may be amended or water use may be curtailed until the prior appropriator can again obtain water under his or her prior right. Those individuals within the same area that do not have water rights may also be required to curtail taking water.
5. Notify the grantor of any change of address, transfer of any real property identified in this permit, or proposed change in the water appropriation.
6. Allow grantor's authorized representatives to inspect, at reasonable times, any facilities, equipment, practices, or operations regulated or required und this permit.
7. Permanent decommissioning of any well must be in compliance with requirements of 18 AAC 80.015(e). Abandonment reports shall be submitted to this office and DEC within forty-five (45) days.
8. Submit monthly water use records on an annual basis to the Water Resources Section. All water use records shall be reported on the Alaska Water Use Data System (AKWUDS) online at <http://dnr.alaska.gov/akwuds/> and/or via email to dnr.water.reports@alaska.gov.
9. This permit is subject to an annual administrative service fee per 11 AAC 05.010. (a)(8)(M).

This permit shall EXPIRE on: **August 23, 2027**.

This Permit to Appropriate Water is issued by authority of AS 46.15.080 and 11 AAC 93.120 on:
