The holder of this Certificate of Appropriation shall comply with the following conditions:

1. Follow acceptable engineering standards in exercising the water right granted by this certificate.
2. Except for claims or losses arising from negligence of the State, defend and indemnify the State, the State's agents, and the State's employees against and hold each of them harmless from any and all claims, demands, legal actions, loss, liability, and expense, including attorney fees, for injury to or death of persons and damages to or loss of property arising out of or connected with the exercise of the water right granted by this certificate.
3. Comply with all applicable laws, regulations, and conditions.
4. Notify the grantor of any change of address, transfer of any real property identified in this certificate, or proposed change in the water appropriation.
5. If the grantor determines that this appropriation unduly affects a prior appropriator's ability to obtain water in accordance with his or her permit or certificate, this appropriation may be amended or water use may be curtailed until the prior appropriator can again obtain water under his or her prior right. Those individuals within the same area that do not have water rights may also be required to curtail taking water.
6. Allow grantor's authorized representatives to inspect, at reasonable times, any facilities, equipment, practices, or operations regulated or required under this certificate.
7. Permanent decommissioning of any water well(s) must be in compliance with requirements of 18 AAC 80.015(e). Abandonment report shall be submitted to this office and DEC within forty-five (45) days.
8. Submit monthly water use records to the Water Resources Section on an annual basis.
9. This certificate is subject to an annual administrative service fee pursuant to 11 AAC 05.010 (a)(8)(M).
