This map is based on the most recent data available; however, the actual or historical condition of the waters involved may differ from that shown on this map. The user is advised to consult the appropriate Federal agencies for any questions on the navigation status of the waters or land status. In the case of water, please refer to the Master Title Plat for precise land ownership.

The State of Alaska makes no expressed or implied warranties (including warranties of merchantability and fitness) with respect to the character, function, or capabilities of this product or its appropriateness for any user's purposes. In no event will the State of Alaska be liable for any incidental, indirect, special, consequential or other damages suffered by the user or any one else as a result of use of the product, any failure thereof or otherwise, and in no event will the State of Alaska’s liability to you or anyone else exceed the fee paid for the product.
