

## **DISCLAIMER OF INTEREST**

AKAK106403643/AA-98715

*WHEREAS* an application has been filed with the United States to disclaim any interest which the United States might have in the property described below; and

*WHEREAS* the official land title records of the United States disclose that the United States has no interest in the property described below;

*NOW THEREFORE*, the United States, pursuant to the Federal Land Policy and Management Act of October 21, 1976, section 315, 43 U.S.C. 1745 does hereby disclaim any interest in the following described property, to wit:

All submerged lands between the lines of ordinary high-water (OHW) of the left and right banks of the Unuk River, beginning at the westerly boundary of the Sixty-Foot Boundary Reserve (Proclamation 810) at the Canada Border within secs. 4, 9, and 10, Township 64 South, Range 94 East, Copper River Meridian, Alaska, downstream to the limit of tidal influence with Burroughs Bay within Townships 67 South, Ranges 92 and 93 East, Copper River Meridian, Alaska, including the submerged lands and beds of all sloughs, anabranches, braids and channels that carry water from the river.

The upstream extent of tidal influence on the Unuk River has not been formally established. As a result, some lands identified in this disclaimer may lie within tidally influenced areas outside BLM jurisdiction.

The aforesaid portions of the Unuk River System may be located within other sections and townships due to the lands being unsurveyed and the ambulatory nature of water bodies.

Those submerged lands adjacent to uplands not owned by the United States are excluded from this disclaimer.

This disclaimer is subject to all valid existing rights, if any.
