

Notice of Filing DNR Water Regulations

Notice of Filing - Water Regulations

On June 4, 2024, the Department of Natural Resources adopted changes to water regulations in Title 11 of the Alaska Administrative Code. The regulation changes were reviewed and approved by the Department of Law, filed by the Lieutenant Governor on June 7, 2024, and will go into effect on July 7, 2024. The new regulations will be printed in Register 251 in October 2024. A copy of the final regulations is attached.
