### A few necessary do's and don'ts:

- Do not leave food or garbage in the cabin at the end of your visit. It might seem helpful to share food with future cabin users, but food (even in airtight containers) attracts bears and small animals. It doesn't take them long to seriously damage a cabin.  
Please pack out everything you packed in.
- Do not leave cookware, sleeping pads, or other items in the cabin at the end of your visit.
- Please leave some cut dry wood for the next visitor. A bow saw and ax are provided for your use. Only down or burnt trees may be cut.
- Keep the fire in the stove under control. Do not leave the dampers open when you are not in the cabin.
- Please dispose of all waste water in the toilet. Water dumped outside the cabin is unsightly, unsanitary, and attracts unwanted wildlife. Do not place garbage in the toilet, please pack it out.
- Target practice is not allowed in the Recreation Area except at the Mile 36.5 shooting range. The discharge of weapons is allowed only for the lawful taking of game.
- Stay alert and cautious of any trapping activity in the area. Traps and bait may be located near trails. Children and pets should be monitored closely.
- Do not leave pets unattended inside the cabin at any time.
- Feel free to write your comments in the cabin's logbook. Please report any missing or damaged furnishings or other problems to the Public Information Center in Fairbanks immediately, (907) 451-2705.

# Colorado Creek Public Use Cabin

The Colorado Creek Cabin can be reached by the Colorado Creek Winter Trail and the Compeau Trail.

**Colorado Creek Winter Trail:** Summer use is prohibited due to boggy soils. This multi-use trail is open to snowmobile, skiing, mushing and snowshoe. A loading ramp is available at the trailhead located at mile 31.6 Chena Hot Spring Road. Follow the BLUE trail markers 5.7 miles to the cabin. You will cross Colorado Creek's main channel at mile 2.5. Watch for the turnoff to the cabin at mile 5.4. The cabin is another 0.3 miles from the turnoff.

**Compeau Trail:** This multi-use trail is open to ATVs, hiking, biking, horseback riding, snowmobile, snowshoe, and skiing. It provides good summer access to the Colorado Creek Public Use Cabin. The Compeau trailhead is located at mile 29.9 Chena Hot Springs Road, on the north side of the road. Follow the blue/black trail markers 18 miles to the cabin. The Compeau Trail makes a turn at mile 10; just past this turn the trail intersects the Little Chena Dozer Line. You can also get to the cabin following the dozer line. After riding 5.5 more miles, the trail intersects a 1950's dozer line; a sign marks this intersection. Follow the steep grade 3/4's of a mile downhill before connecting with the Compeau Trail again. The last 2 miles gradually descend to the cabin.
