To Whom It May Concern:

I am writing this letter on behalf of the Sitka Recreation Foundation to express our commitment to the proposed Crescent Harbor Courts enhancement and rehabilitation project. The Sitka Recreation Foundation has a formal MOU with the City & Borough of Sitka to support municipal Parks and Recreation priorities and is established as a non-profit entity with a dedicated focus on supporting Parks and Recreation initiatives in Sitka.

The Crescent Harbor Courts project is of great significance to our community, and we are prepared to pledge both financial and volunteer resources to ensure its success. Specifically, we have set goals to raise between \$40,000 to \$50,000 in cash donations. Furthermore, we are committed to leveraging our connections and expertise to coordinate volunteer efforts from various individuals and groups who share our enthusiasm for this initiative.

In pursuit of these objectives, the Sitka Recreation Foundation is poised to work closely with the Sitka Parks and Recreation Board. We understand that this project is a recognized priority for Sitka, and we are fully aligned with the needs and desires of our residents.

The Sitka Recreation Foundation is dedicated to its mission of enhancing the quality of life for our community members through recreational opportunities, and we see the Crescent Harbor Courts as a significant step in that direction.

Please consider this letter as our formal expression of commitment and support for the Crescent Harbor Courts project. If you require any further information or have specific needs regarding our involvement, please do not hesitate to contact us.

Thank you for your time, and we look forward to the possibilities that lie ahead.

Sincerely,

Andrew Friske - Board President
Sitka Recreation Foundation
