## **PROJECT SIGNAGE: Specifications**

National Maritime Heritage Grants Program funded projects must create public notification of the project in the form of a project sign, website posting, and proper credit for announcements and publications as appropriate. Signage/notification must be submitted for approval by the ATR in advance. Also, the sign/notification must be of reasonable and adequate design and construction to withstand weather exposure (if appropriate); be of a size that can be easily read from the public right-of-way; and be accessible to the public throughout the project term as stipulated in this agreement. At a minimum, all notifications must contain the following statement:

*“[Project Name] is being supported in part by a National Maritime Heritage Grant administered by the National Park Service, Department of the Interior and the State of Alaska Office of History and Archeology.”*

Additional information briefly identifying the historical significance of the property and recognizing other contributors is encouraged and permissible. The NPS arrowhead logo may only be used in conjunction with the National Maritime Heritage Grants Program approved signage format that can be provided upon request. Any other use of the logo is prohibited.

**Cost of posting, fabricating, and erecting notification are eligible grant costs.**
