Statement of Owner Consent: Maritime Heritage Grant Program

Owner Consent Requirement

If the applicant proposes work on a property they do not own, written proof of the owner’s consent is required. If the State of Alaska Office of History & Archaeology requires a preservation covenant, easement, or preservation agreement, this must also be acknowledged. The consent statement or letter must accompany the application, be dated no earlier than 60 days before the application deadline and specifically reference this grant application. Previous or undated letters will not be accepted.

I understand that _____ (name of individual or entity applying) is proposing to perform work on the property shown below with assistance from the Maritime Heritage Grant Program, administered by the National Park Service (NPS) in partnership with the State of Alaska, Department of Natural Resources, Office of History & Archaeology (OHA).

I consent to the proposed work to be performed by the applicant named above if a Maritime Heritage grant is awarded for this project. I agree to execute a preservation covenant, easement agreement, or preservation agreement, if applicable, as required by OHA and NPS. I understand that this document is a legal instrument.
