**General Permit Stipulations for Commercial Use Permits**  
**Alaska State Parks**

The following stipulations apply to all Non-Competitive Park Use Permits for Commercial Activities issued by the Division of Parks and Outdoor Recreation (DPOR). Noncompliance with the terms described below may result in a citation being issued to the operator for violation of 11 AAC 18.030(c) and possibly the suspension or revocation of the permit.

1. **Payment of Commercial Use Permit Fees.** Commercial Use Permit fees must be paid in full prior to issuance of any permit. Permit fees are specified by Director's Order and available on the DPOR website [dnr.alaska.gov/parks/](http://dnr.alaska.gov/parks/).

2. **Payment of Per Client Fees / End of Season Reporting.** Permittee shall submit an End of Season Report by December 31<sup>st</sup> of the permit year, accurately documenting activities on lands and waters covered by this permit. The Division will assess per client fees based on number of client days, locations, and activities that have occurred on lands and waters covered by this permit and payment will be required on or before December 31. State law, AS 45.45.010(a), allows the State to charge interest in the amount of 10.5% annually on debts owed to the state. A 10.5% annual penalty fee will be assessed for any per client fees that are not received by DPOR by December 31. Permitter's annual commercial use permit will not be issued for subsequent years until the Division receives End of Season Reports and payment of all applicable per client fees for prior years. End of Season reporting is required whether or not you conducted commercial activities in a unit of the State Park system. No per client fee will be charged for persons who are transported by water or air taxi services directly to or from private property inholdings within a State Park or any government employee on official business who is transported by a commercial operator. If multiple commercial permittees (businesses) provide services to a single client, each permittee is responsible for payment of the use fees for the services they provide. Commercial permittees providing multiple services to a client on the same day will only be charged one fee per day per client. In this situation, the fee for the service with the highest fee applies. Report each individual only once for each one-day period. **Please utilize the online system to report park use and pay online at <https://dnr.alaska.gov/parks/commercialusepermits>. A documented record of park per client use days must be sent to [parkpermitting@alaska.gov](mailto:parkpermitting@alaska.gov) for verification of use.**

3. **Insurance Required.** Without limiting indemnification, the liability insurance required of commercial operators that provide guiding, outfitting, touring, education expeditions, equipment rentals or other recreational services in State Park Units shall be comprehensive (commercial) general liability insurance with coverage limits not less than \$100,000 per person / \$300,000 combined single limit per occurrence and annual aggregates where generally applicable, and shall include premise operation, independent contractor's products/completed operations, broad form property damage, blanket contractual and personal injury inducements. The director may require higher increments of liability insurance for activities that carry a higher degree of risk to the participants. The liability insurance policy must also list:

State of Alaska  
Department of Natural Resources  
Division of Parks and Outdoor Recreation  
550 West 7th Ave., Suite 1380  
Anchorage, AK 99501

as additional insured and provide for a 30-day notification to the State of cancellation, non-renewal, or material alteration of insurance.

Permittee shall ensure compliance by its employees, agents, contractors, subcontractors, licensees, or invitees. Permittee shall further require all individuals operating under this permit to have all such documentation in their possession while operating in the park and upon request shall present for inspection to any state park official or Peace Officer.

8. **First Aid Certification.** All individuals operating under this permit within a state park unit must hold a current first aid certification recognized by a state or national registration.
