

Stipulations for Commercial Filming Permits Alaska State Parks

The following stipulations apply to all Non-Competitive Park Use Permits for Commercial Filming activities issued by the Division of Parks and Outdoor Recreation (DPOR). Noncompliance with the terms described below may result in a citation being issued to the operator for violation of 11 AAC 18.030(c) and the suspension or revocation of this permit.

1. **Authorized Officer.** The Authorized Officer (AO) for the State of Alaska (State), Department of Natural Resources (DNR), Division of Parks and Outdoor Recreation (DPOR), is the Deputy Director or designee. The AO reserves the right to modify these stipulations or use additional stipulations as deemed necessary. The Permittee will be advised before any such modifications or additions are finalized.
 2. **Payment of Commercial Use Permit Fees.** Commercial Use Permit fees must be paid in full prior to issuance of any permit. Permit fees are specified by the Director's Order and available on the DPOR website: <https://dnr.alaska.gov/parks/permit/index.htm>. This permit does not exempt the Permittee from paying camping or boat launch fees, nor does it exempt clients from paying day-use parking or other park fees.
 3. **Day-Use Parking Fees.** The Permittee is responsible for paying all day-use parking fees when commercially operating and for ensuring that clients do the same. Annual parking passes, available for purchase on the Alaska State Parks website, may also be used.
 4. **Insurance Required.** Without limiting indemnification, commercial operators providing services in State Park lands and waters must maintain liability insurance with coverage and limits adequate to protect both the Permittee and the State (including its officers, agents, and employees) from liabilities arising from operations on state land. A Certificate of Insurance (COI), on an ACORD form, must be submitted with the permit application. The COI must name the State as an additional insured with respect to the Permittee's operations on or in conjunction with the permitted premises, using the following address for the State:

State of Alaska
Department of Natural Resources
Division of Parks and Outdoor Recreation
550 West 7th Ave., Suite 1380
Anchorage, AK 99501
- The COI must include provisions for notice of cancellation, non-renewal, or material change as required by the policy. Insurance must be maintained continuously throughout the permit term. Policies must be written on an "occurrence" basis unless otherwise approved by the Division of Risk Management, Department of Administration. Failure to provide or maintain satisfactory insurance is a material breach and may result in permit termination.
5. **Suspension and Revocation of this permit by the State.** Failure to abide by any part of this use permit, to comply with any of the general or special stipulations, or the willful violation of any state regulation may result in immediate suspension or revocation of this permit and may result in denial of future permits.
 6. **Revocable at Will.** This permit may be revoked at any time at the discretion of the Director or his/her designee without compensation to the Permittee or liability to the State.
 7. **False Statement.** Making a false statement or presenting false or purposefully altered documents is prohibited and may be grounds for immediate revocation of a commercial use permit under 11 AAC 18.030(c). This provision applies to all persons working under the authority of this permit, including guides, assistant guides, employees, etc.
 8. **Non-Exclusive Use.** This permit shall not be construed as limiting the rights of the AO to issue similar permits for the same or similar activities in the area covered by this permit. The Permittee, agents, or clients shall not interfere with free public use or other authorized use of roads, trails, lands, or waters in the area of their activities.
 9. **Preferential Rights.** No preferential rights to additional services of a proprietary interest right in the lands are attached to this permit.
